

With Medical Guardian  
you're never alone...  
**get help in just 3  
simple steps.**

**In an emergency, every second counts.**

STEP 1

**PRESS YOUR MEDICAL ALERT  
BUTTON**

You will be connected immediately to  
our 24/7, U.S.-based monitoring center  
within seconds.

STEP 2

**SPEAK WITH AN EMERGENCY  
OPERATOR**

Our highly-certified operators help you  
determine the severity of the  
emergency, and level of service needed.

STEP 3

**RECEIVE HELP 24/7**

Whether you need emergency  
assistance or simply to get in touch with  
an emergency contact, our industry  
leading response times will ensure you  
get the help you need quickly.

## Why do I need a medical alert system?

**1 in 4**

older adults falls every year.  
**Falling once doubles the risk of  
falling again.<sup>1</sup>**

Falls are the **leading cause**  
of injuries and deaths among older  
adults.<sup>1</sup>

After a fall, **90%** of older  
adults who get **help within 1 hour**  
will be able to return home.<sup>1</sup>

**1 (816) 455-4800**

Your first step toward  
gaining **peace of mind**,  
and living safely and  
**independently** in your  
own home

Clay County Senior Services

## Our Life Saving Protection

Allows immediate access to emergency help at the touch of a button, 24 hours a day, 7 days a week. It is the most effective system which allows you, or a loved one, to remain safely in the comfort of your own home.

## Why Medical Guardian?

In the event of an emergency, you need to be sure your call goes through, the first time, every time. Reliable equipment, superior monitoring and 20+ years of experience have allowed Medical Guardian to become the most trusted name in the Medical Alarm industry. We offer the most innovative selection of comfortable and discreet devices, simple to use, and equipped with extended battery life to keep you protected for longer on a single charge.

**“Medical Guardian has been the answer to the new needs in our lives. We have just received a Medical Guardian for my husband who is experiencing problems with balance. Everyone who I have dealt with has been very professional and helpful.”**

— Dana C
